

PUBLIC NOTICE REGARDING OPEN AIR BURNING WITHIN THE CITY OF REVELSTOKE

Revelstoke Fire Rescue Services would like to remind residents that **open air burning for the purpose of property and yard clean up as well as disposal of industrial and commercial wood waste is prohibited in the City.**

Open air burning within City limits is permissible without an authorization for the purpose of Special Occasion fires only.

Open air burning for the purposes of hazard abatement under the Fire Smart program is permissible with written authorization from the Fire Chief.

Before engaging in these activities and to avoid municipal ticketing, residents are strongly encouraged to research the City Bylaw. Please visit the City of Revelstoke website at www.revelstoke.ca and review Section 5.0 of Bylaw 1772.
